When betrothed to King Louis XVI (Jason Schwartzman), the naïve and beautiful, Austrian-born Marie Antoinette (Kirsten Dunst) enters the opulent French court, which is steeped in conspiracy and scandal. Without guidance, adrift in a dangerous world, the young girl rebels against the isolated atmosphere of Versailles and becomes France's most misunderstood monarch. Stripped of her riches and finery, imprisoned, and ultimately beheaded by her own subjects, the Queen of France became a toxic symbol for the wanton extravagance of the 18th century monarchy that incited to the French Revolution.
